

***MILITARY &
TACTICAL FOOTWEAR***

About us

Wellco Peruana is a footwear manufacturer with more than 50 years of experience, specialized in Military, Law Enforcement and Safety footwear. We have 3 facilities in Lima - Peru adding up more than 15,000 square meters for our manufacturing and distribution process. Our main production lines are DMS (Direct Molded Sole) for vulcanized Panama rubber soles, Direct Injection process (PU or PU/Rubber or PU/TPU), Cemented Soles and Goodyear Welt system. Our products are exported to many countries around the world.

3. 510 EXP
4. 539 ECO
5. 539 EXP
6. 520 NEW GEN

1. 520EXP

The 520 Jungle Boot is produced with DMS (Direct Molded Sole) construction of vulcanized rubber outsole directly to the upper, offering a bonding strength without precedents. Made with materials exceeding international standards ready to be worn against extreme conditions.

DMS

Direct vulcanized rubber outsole

Panama sole design

Padded collar for extra comfort

Non-slip vulcanized rubber sole

1000D nylon fabric with DWR treatment

Polishable leather dyed through 2.1 mm \pm 0.1 mm

Corrosion resistance speed hooks and eyelets

Polyurethane footbed with nylon fabric with antimicrobial properties

Non-metallic puncture resistance insole

Also available in

Desert Tan

Coyote

Green

Fleshout waterproof leather 2.1 mm \pm 0.1 mm
*Only coyote and desert tan

2. 510 ECO

Polishable leather dyed through 2.1 mm ± 0.1 mm

Corrosion resistance hardware

Direct vulcanized rubber outsole

Shock absorber

Panama sole design

Oils and gas resistance outsole

Non slip outsole

3. 510 EXP

Polishable leather dyed through 2.1 mm ± 0.1 mm

Non-metallic puncture resistance insole

Direct vulcanized rubber outsole

Panama sole design

Corrosion resistance hardware

Non slip outsole

Polyurethane footbed with nylon fabric with antimicrobial properties

Also available in

Black

4. 539 ECO

Polishable leather dyed through 2.1 mm ± 0.1 mm

Corrosion resistance hardware

Direct vulcanized rubber outsole

Shock absorber

Panama sole design

Oils and gas resistance outsole

Non slip outsole

5. 539 EXP

Polishable leather dyed through 2.1 mm ± 0.1 mm

Non-metallic puncture resistance insole

Direct vulcanized rubber outsole

Panama sole design
